

1 **Rule 9023. New Trials; Amendment of Judgments**

2 Except as provided in this rule and Rule 3008,
3 Rule 59 F.R.Civ.P. applies in cases under the Code. A
4 motion for a new trial or to alter or amend a judgment shall
5 be filed, and a court may on its own order a new trial, no
6 later than 14 days after entry of judgment. In some
7 circumstances, Rule 8008 governs post-judgment motion
8 practice after an appeal has been docketed and is pending.

Committee Note

This rule is amended to include a cross-reference to Rule 8008. That rule governs the issuance of an indicative ruling when relief is sought that the court lacks authority to grant because of an appeal that has been docketed and is pending.
